Special dietary needs will be accommodated at all food functions. When you register for the conference, you will be given the opportunity to identify any special dietary needs.

**Dining in Bloomington**

There are many pleasant pubs, restaurants and coffee houses located in a short walking distance from campus.

- Kirkwood Avenue is a main street leading from campus to downtown Bloomington. Along Kirkwood you will find many casual eating options.
- 4th Street is renowned for its unusual and unusually large selection of ethnic restaurants: Indian, Italian, Moroccan, Thai, Burmese, Mexican, Cajun and Korean.
- Located between 4th and Kirkwood is “Snow Lion,” one of only two restaurants in the US featuring authentic Tibetan cuisine.

A comprehensive **Bloomington Dining Guide** will be included with your conference check-in materials.
